SUGGESTED PREAMBLE

Good morning. This is _____. My name is _____, located in _____, _____.

I will be calling roll for the _____ portion of the Alaska-Pacific Emergency Preparedness Net. This is a rollcall net. If you cannot hear net control, it will be appreciated if you wait until sweeps are made and do not call in the blind. Only break in if you have a contact or an emergency. We will pick up late, missed and visitor check-ins after roll call is complete. Please keep this frequency clear until the net on 14.290 has closed; this includes tuning up and looking for early checkins. NCS monitors 14.282 beginning at 15 minutes after hour for early checkins, and will switch to 14.292 at half past hour for the rollcall. Are there any traffic listings or bulletins? Are there any mobile or low-power stations? Any relays? **ROLL CALL FOLLOWS:**
