SUGGESTED PREAMBLE

Good morning. This is _____ . My name is _____, located in _____,

_____ . I will be calling roll for the _____ portion of the Alaska-Pacific

Emergency Preparedness Net. This is a rollcall net. If you cannot hear net control, it

will be appreciated if you wait until sweeps are made and do not call in the blind. Only

break in if you have a contact or an emergency. We will pick up late, missed and

visitor check-ins after roll call is complete. Please keep this frequency clear until the

net on 14.290 has closed; this includes tuning up and looking for early check-ins. NCS

monitors 14.282 beginning at 15 minutes after the hour for early check-ins, and will

switch to 14.292 at half past the hour for the rollcall. After checking into the net 4

times you may request to be added to the roster, and it will take 4 check-ins a month to

remain on the roster. Are there any traffic listings or bulletins? Are there any mobile

or low-power stations? Any relays? ROLL CALL FOLLOWS:
