SUGGESTED PREAMBLE

Good morning. This is _____. My name is _____, located in _____, _____ . I will be calling roll for the _____ portion of the Alaska-Pacific Emergency Preparedness Net.

This is a directed net. Please do not break in during roll call except to make a contact or to help with a relay. We will pick up late, missed, and visitor checkins after roll call is complete. Please keep the frequency clear until 15 minutes before the start of the net so we will not interfere with the net on 14.290. Are there any traffic listings or bulletins? Are there any mobile or low-power stations? Any relays?
