SUGGESTED PREAMBLE

Good morning. This is _____. My name is _____, located in _____, _____.

I will be calling roll for the _____ portion of the Alaska-Pacific Emergency Preparedness Net. This is a directed net. If you cannot hear net control, it will be appreciated if you wait until sweeps are made and do not call in the blind. Only break in if you have a contact or an emergency. We will pick up late, missed and visitor check-ins after roll call is complete. Please keep the frequency clear until 15 minutes before the start of the net so we will not interfere with the net on 14.290. Are there any traffic listings or bulletins? Are there any mobile or low-power stations? Any relays?
